

Course-Related Fees
Spain - Fall 2009

REVIEW AND GIVE TO YOUR PARENTS

Students who register for any of the courses listed below will be charged a fee to cover special activities, such as study tours or site visits, which are an integral part of the course. Study tour fees reflect the cost of transportation, accommodations, and some group meals. Fees are billed from Syracuse following the overseas registration period, appearing on the Bursar statement mailed to the student's billing address in September or October 2009. These fees are not included in either the tuition or program fee charges, which are billed prior to departure.

All students who register for a course with a course-related fee are required to pay the fee, even if they are only auditing the course. **Financial Deadline to Withdraw from the Program:** Please refer to the SU ABROAD Study Abroad Handbook for information on refund of course-related fees for students who withdraw from the program voluntarily, involuntarily, or due to suspension or expulsion. **Financial Deadline for Course/Credit Changes:** Students who make course/credit changes during the first three weeks of classes may request a refund of any unspent or uncommitted portion of the course fees. There is no refund of course fees to students who make course/credit changes after the first three weeks of classes.
