#### **FALL 2009 – OPTION II**

*Students accepted to our Option II program also participate in the Mare Nostrum Signature Seminar so they should arrive in Barcelona with the Option I students on August 15. Classes at the Universidad Autónoma are expected to begin in late-September, but the official calendar is not yet available. Students should be prepared to stay through the end of the final exam period (expected to end in mid-February). Since this program includes additional days beyond Option I, a supplemental program fee will be charged to cover extra room and board expenses. A complete calendar will be sent to Option II applicants as soon as it is available.*
